FEIS ELDS SEIS RA briefing v8516 lah(mpc).pptx

I worked off Lynne's edits and have it down to a 16-slide presentation. Jeannie, please review **Ex. 5 - Deliberative Process** while trying to stay on one page. I left a blank slide after the next steps slide; you can see if there's anything useful in the extra slides to fit into the first 16. I'm happy to go over this with you anytime on Monday morning before 11 or after 3 p.m.. Thanks.

Mel and Jean,

The comment summary looks good **Ex. 5 - Deliberative Process** working on. I streamlined this and put in some edits and places to make some more changes.

Ex. 5 - Deliberative Process
and paste. I'll show Mel which one it is and maybe he has it. Mel is going to work on it some more today and send it back to us. Everyone is all caught up now since I met with Mel a little while ago. Mel – I will stop by in a little while. Thanks.
